

Behold What We Have Done by Overthrowing Assad in Syria

HAL TURNER | WORLD | DECEMBER 10, 2024 | HITS: 40502

America, Europe, Israel, Turkey, Saudi Arabia et.al., the three brief videos below demonstrate what **YOU** have done, by overthrowing President Bashar Al-Assad of Syria. This is who **YOU** actually are . . .

The HTS Terror group, whom each of the countries above supported, overthrew President Bashar al-Assad of Syria last weekend. Here are just _some_ of the initial results:

Cousin of Bashar Assad HUNG publicly, by crane:

EN

0:15 / 0:26

Average, everyday Syrians grabbed off the street by HTS, and Machine-gunned to death in public:

0:43 / 0:53

Wounded Syrian Soldiers, in a hospital, machine-gunned to death in their hospital beds:

EN

1:04 / 2:14

SURRENDERING Syrian Soldiers, unarmed with hands-up, machine-gunned to death:

0:00 / 0:35

This is just on day one of the new HTS "government" of Syria.

Want to laugh? The British government is now fast-tracking the REMOVAL of HTS from the list of Terrorist organizations!

That's how degenerate the British government has actually become. You folks in the UK must be so proud. After all, YOU elected these people! The videos above, are the results of **your** vote.

EN

Similar moves are expected in the United States, lead by the US State Department which declared HTS an international terrorist organization, and even promoted a

\$10 Million Bounty on the head of the HTS Leader, Mohammad al-Jawlani, who the State Department NOW recognizes as the new "Leader" of Syria.

So the degeneracy is certainly not limited to the British government, we've got more than our share of degenerates working in the US Government, too.

Oh, and they already know, that WE know they've turned over an entire country to these types of people, so our trusted government public servants, are now lying to our face as they tell us **"These are moderates that run Syria now."**

You've just seen what the reality is; do they look like "moderates" to you?

You folks in governments all over the world, who decided that overthrowing Assad was so necessary, facilitated the acts shown in the videos above. YOU are as guilty as the people who perpetrated the acts.

You're disgusting to me. I don't respect you, **I spit at you.**

UPDATE 4:44 PM EST --

The morons in the White House (Biden and his appointees) just issued a statement:

" We are reaching out to all Syrian groups in ways that include mediators to support the transition process."

That's how disconnected from reality these people in the White House actually are.

In my view, they are classic examples of the Dunning-Kruger Effect. Look it up. It's when people of low intellect are so amazingly stupid, they actually start to believe THEY know better and are superior. Put simply, the Dunning-Kruger effect is when people who are so stupid, they are too stupid to even realize they're stupid, so they think they're smart. **THAT** is the United States Federal Government.
